

Level 5 Restrictions for the corona virus pandemic were imposed from Thursday, 22 October, by the Government.

This means there will not be any public Masses or services in our churches, with the exception for funerals and weddings. There is a limit of 25 people allowed at funerals and weddings.

Mass will continue to be celebrated and will be streamed live via parish webcams.

Churches will be open for private prayer during the day.

Please continue to follow public health guidelines and protect health and life.

For the duration of these restrictions Mass will be celebrated privately in Louisburgh Church.

Intentions from the Killeen Masses will be included in the Louisburgh Mass. These can be re-scheduled for Killeen Church when the restrictions are lifted.

Mission Collection:

The collection for the Missions is usually taken up as part of the offertory collection on Mission Sunday. Due to Level 5 Covid-19 restrictions, congregations are not currently allowed at Mass and so there was no offertory collection last Sunday. If you wish to contribute to the work of the Missions you may return the envelope from last Sunday to the Parish Office in the parochial house.

Sincere thanks to all you contribute so generously to all collections throughout the year.

Parish Finances - Return of Weekly Envelopes

These may be returned through the letterbox in the front door of the parochial house. (The house is always alarmed).

There is a facility for anybody who wishes to make a donation by credit / debit card, once off or on an ongoing basis, on www.louisburghparish.ie

Many thanks to all who have donated, and continue to donate, to the parish in what are very trying times financially for everyone.

Lighting Candles in Church – Fire Safety

An electronic votive candle shrine has now been installed in Louisburgh church to accommodate those who wish to 'light a candle'. Please use the hand sanitiser before you use it or the one in Killeen church.

Sacrament of Confirmation 2021

Because of the ongoing corona virus pandemic the celebration of the sacrament will be very different in 2021.

It will not be possible to have large gatherings in church for the foreseeable future. As a result, the Sacrament of Confirmation will be celebrated mainly by priests in their own parishes with small groups of pupils having only their immediate families present.

In Kilgeever Parish it is proposed, if health restrictions allow, to start celebrating the Sacrament of Confirmation early in the new year on Saturdays. We plan on having all our pupils confirmed by Easter, 04 April, if at all possible.

When the exact number of children to be confirmed is known precise details and dates for these ceremonies will be sent to families.

It will not be possible to run the 'You Shall Be My Witnesses' programme this year.

Links to on-line material will be made available to parents to assist them discuss this important event in their child's faith development. Our primary schools will prepare the children using their usual religious education programme and our thanks goes to the teachers involved.

Parents of Fifth and Sixth class primary school pupils in the parish have been contacted by email from the schools.

Please note that while the schools will prepare the children for Confirmation, they will have no direct involvement in organising the ceremony. Parents are asked to email the parish office.

Archbishop Neary hopes to visit the parish and celebrate Mass at some stage in the new year.

Stay the Course:

With the incidence of corona virus again rising it is vital that we continue to follow the guidelines given by the public health authorities; especially by

- limiting social contacts,
- avoiding crowded indoor gatherings,
- keeping the physical distancing,
- washing hands,
- wearing a face mask (rather than visor) when indoors with a group of people.

Ministries in Church:

With the advice to people over 70 and those with health conditions to limit exposure at events where people congregate, especially indoors, many of our regular Readers and Eucharistic ministers have for the moment withdrawn from exercising their ministry.

New volunteers for these ministries are always welcome and will be needed when there is a full re-opening of churches. Please consider contributing to our community in this way.

Monthly Calls:

The monthly calls to the sick and housebound by Fr Long were suspended due to the corona virus pandemic.

The advice still is very much to limit visits to homes as much as possible, especially to those who may be vulnerable.

However, if anybody wishes Fr Long to visit, or to receive Holy Communion or the sacrament of the sick, please phone 66198 and arrangements will be made for an individual visit, taking all advised precautions.

Family members may be appointed as special Eucharistic Ministers to bring Holy Communion to an elderly or ill family member.

COVID-19 Support Line for Older People

ALONE manage a national support line and additional supports for older people who have concerns or are facing difficulties relating to the outbreak of COVID-19 (Coronavirus).

Professional staff are available to answer queries and give advice and reassurance where necessary. The support line is open seven days a week, 8.00am to 8.00pm, by calling 0818 222 024.

Winter Time:

Clocks go back 1 hour at 2.00 a.m. on Sunday, 25 October.

Fall back, Spring forward.
