Safety on the Water this Summer – RNLI

1. Check the weather forecast and tide times before you head out.
2. Always tell someone where you're going and when you'll be back.
3. If you see someone in trouble call 999 or 112 and ask for the coastguard.
4. Always carry a mobile phone and keep it on you at all times – use a waterproof pouch when going in the water.
5. If you find yourself in trouble in the water, try not to panic. Float on your back.
