Masks in Church – Reminder Delta Variant Corona Virus

Due to the latest variant of the corona virus being far more transmissible, it is absolutely necessary that all people attending Mass or services in church must wear a mask correctly at all times.

Anybody with any flu-like or cold-like symptoms, cough, sneezing, sore throat, temperature, lack of smell etc. should not attend church and should phone their G.P. for advice.

Corona Virus Restrictions:

Please read the instructions at the entrances to our churches.
Up to 50 people will be allowed at Mass, Funerals and Weddings in Church. This number is dependent on the necessary social distancing being observed.

Respect & Love your Neighbour

A correctly worn mask protects yourself and others.

To decide not to wear a mask in indoor public spaces, or to incorrectly wear a mask, puts everyone at risk.

Church Opening Times: The Churches will be open daily for private prayer until 7.00 p.m.

Parish Finances - Return of Weekly Envelopes

With Sunday Masses being opened to the public there will be a basket at the porch of each church for the weekly collection envelopes. These may also be returned through the letterbox in the front door of the parochial house. There is a facility for anybody who wishes to make a donation by credit / debit card, once off or on an ongoing basis, on the parish website www.louisburghparish.ie

Many thanks to all who have donated, and continue to donate, in this difficult time.

Holy Communion for those with Coeliac disease

If those with coeliac disease wish to receive Holy Communion under the form of wine, they should inform the priest, or ask one of the stewards to do so, before Mass.

Arrangements will be made for them to receive Holy Communion safely without having to share a chalice with any other person.

St. Vincent de Paul: For assistance, please contact 087 921 0885 in confidence.

Safety on the Water this Summer – RNLI

1. Check the weather forecast and tide times before you head out.
2. Always tell someone where you're going and when you'll be back.
3. If you see someone in trouble call 999 or 112 and ask for the coastguard.
4. Always carry a mobile phone and keep it on you at all times – use a waterproof pouch when going in the water.
5. If you find yourself in trouble in the water, try not to panic. Float on your back.
