Church Opening Times: The Churches will be open daily for private prayer until 7.00 p.m.

Masks in Church – Reminder
Delta Variant Corona Virus

Due to the latest variant of the corona virus being far more transmissible, it is absolutely necessary that **all people** attending Mass or services in church **must wear a mask correctly** at all times.

Anybody with any flu-like or cold-like symptoms, cough, sneezing, sore throat, temperature, lack of smell etc. should not attend church and should phone their G.P. for advice.

Corona Virus Restrictions:
Please read the instructions at the entrances to our churches.
Up to 50 people will be allowed at Mass, Funerals and Weddings in Church. This number is dependent on the necessary social distancing being observed.

Do No Harm

A correctly worn mask protects yourself and others.
To decide not to wear a mask in indoor public spaces, or to incorrectly wear a mask, puts everyone at risk.

Parish Finances - Return of Weekly Envelopes

With Sunday Masses being opened to the public there will be a basket at the porch of each church for the weekly collection envelopes. These may also be returned through the letterbox in the front door of the parochial house. There is a facility for anybody who wishes to make a donation by credit / debit card, once off or on an ongoing basis, on the parish website www.louisburghparish.ie Many thanks to all who have donated, and continue to donate, in this difficult time.

Monthly Calls: If anybody wishes Fr Long to visit, or to receive Holy Communion or the sacrament of the sick, please phone 66198. Family members may be appointed as special Eucharistic Ministers to bring Holy Communion to an elderly or ill family member.

Parking, Louisburgh Church: Kilgeever Parish is happy to co-operate with Mayo County Council and Louisburgh Futures to make the church carpark available for car parking in order to alleviate the congestion that is happening with on-street parking. We hope it facilitates our community and the summer visitors.
In the event of a funeral, parking will be reserved for mourners.

Safety on the Water this Summer – RNLI

1. Check the weather forecast and tide times before you head out.
2. Always tell someone where you're going and when you'll be back.
3. If you see someone in trouble call 999 or 112 and ask for the coastguard.
4. Always carry a mobile phone and keep it on you at all times – use a waterproof pouch when going in the water.
5. If you find yourself in trouble in the water, try not to panic. Float on your back.

For further tips and advice on how to keep you safe by the water, visit: RNLI.org/HowToFloat

Thank You: *I want to say thank you to all the volunteers who give up their time freely to go out early in the morning to pick up litter in order to have the village looking well for the rest of us. The village is looking particularly well this year. I am lucky to be able to spend some time here and I love walking around the village.*
