**Holy Communion for those with Coeliac disease**  
 If those with coeliac disease wish to receive Holy Communion under the form of wine, they should inform the priest, or ask one of the stewards to do so, before Mass. Arrangements will be made for them to receive Holy Communion safely without having to share a chalice.

**Mission Sunday, 24 October:** In many poorer parishes in Africa, Asia, and Latin America missionaries are serving on the front line. They already do so much, walking hand-in-hand with marginalised communities, long before and after any emergency. You can show missionaries you care by supporting World Mission Sunday. Your prayers and generosity will change lives.

**The Priests' Autumn Collection** is taken up at this time. This is one of four priest's collections during the year. The weekly collection is used exclusively for the upkeep of parish property and the running expenses of the parish. Sincere thanks to all you contribute so generously to all parish collections.

**Corona Virus – Reminder**  
 It is absolutely necessary that all people attending Mass or services in church must wear a mask correctly at all times.  
 The number allowed at Mass is dependent on the necessary social distancing being observed. Anybody with any flu-like or cold-like symptoms, cough, sneezing, sore throat, temperature, lack of smell etc. should not attend church and should phone their G.P. for advice.

**Louisburgh Church Webcam Broadband Connection:** We have finally been able to re-establish a cable connection for broadband to Louisburgh church. This will provide much better broadband speeds and should result in a better quality and more stable picture from our webcam in the church.

**Monthly Calls:** If anybody wishes Fr Long to visit, or to receive Holy Communion or the sacrament of the sick, please phone 66198. Family members may be appointed as special Eucharistic Ministers to bring Holy Communion to an elderly or ill family member.

**Flu Vaccine:** Please phone for an appointment:  
 • Dr. Karina Morrison, The Old Convent, on 098 66681.  
 • Dr. Eileen O Connor & Dr. Colm Staunton, Louisburgh Medical Practice, on 098 66168

**Parish Finances - Return of Weekly Envelopes**

These may also be returned through the letterbox in the front door of the parochial house. There is a facility for anybody who wishes to make a donation by credit / debit card, once off or on an ongoing basis, on the parish website [www.louisburghparish.ie](http://www.louisburghparish.ie) Many thanks to all who have donated, and continue to donate, in this difficult time.

**Trócaire, East Africa Appeal:** The Irish Bishops are asking parishes throughout Ireland to undertake a special Church collection on Sunday 07 November to invite the public to support Trócaire in its work to alleviate the humanitarian crisis in East Africa.

The bishops noted with deep concern the increase in the number of people worldwide threatened by humanitarian crises, which are driven by the triple threat of the Covid-19 pandemic, conflict, and climate change. They expressed particular support for the people of East Africa, where up to 30 million people in Somalia, Ethiopia, Sudan, South Sudan, Kenya, Uganda and the Democratic Republic of the Congo are currently face life-threatening food shortages.

In the countries where Trócaire works, less than 5% of the population have been vaccinated for Covid and infection rates are up to 50%. An additional 200 million people have fallen into poverty globally as a result of the Covid crisis. Bishops highlighted that wealthier countries, while protecting their most vulnerable citizens, also have a moral responsibility to ensure that the populations of developing countries have equal, rapid and effective access to Covid vaccine coverage.
