Holy Communion for those with Coeliac disease; to receive Holy Communion under the form of wine, they should inform the priest before Mass. Communion may be received in the form of bread with minimal gluten content or under the form of wine.

Adoration of the Blessed Sacrament will be held on Wednesdays from 10.30 a.m. to 11.30 a.m. in Louisburgh Church. If we are to continue with adoration over the coming months volunteers will be needed to expose and repose the Blessed Sacrament. You don't need to be a Eucharistic Minister to volunteer.

Priests Summer Collection is taken up this time of year. This is one of the four collections for the support of priests that are held during the year in the Tuam Archdiocese. The weekly collection is used for the running and upkeep of the parish. Sincere thanks to all who contribute so generously.

Donations to the Parish:
 With the planned closure of Ulster Bank we are in the process (which seems unendingly bureaucratic) of opening new accounts for the parish. In the meantime people can continue to use the Ulster Bank ibans for direct lodgements to the Louisburgh Parish Account or the Louisburgh Priests Account.

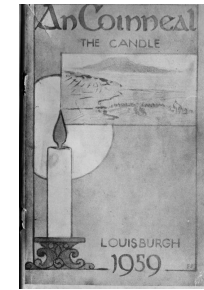

Donations can also be made at <https://louisburghparish.ie/donate> by credit or debit card or by scanning the QR code opposite into a smart phone or tablet.

The weekly envelopes will continue in use. Cheques should be made out to either 'Louisburgh Parish' or 'Louisburgh Priests', depending on the collection. Sincere thanks to all who continue to contribute so generously.

Prevention of COVID 19

It is wise to take sensible precautions to prevent the spread of the virus. Covid 19 is still a very serious disease for many people with long term consequences.

- Everyone attending Mass or services in church is urged to wear a mask covering nose & mouth at all times.
- Use the hand sanitisers on entry to the church.
- Anybody with any covid, flu-like, or cold-like symptoms, should not attend church.

HSE advice is to continue to wear masks in congregated settings.

Be pro-life, wear a mask and help protect those of us who are vulnerable to this virus due to age, illness, or compromised immune systems.
