Archbishop Francis Duffy speaking on Reek Sunday – some points from his homily;

- The Synodal Process is a pathway not a runaway; There are no quick fix solutions or approaches as we reflect on and consider our Church.
- We must not lose hope. We have the Lord with us and He will lead us through this time of transition and restructuring.
- The one certainty is the ongoing and sustained decline both in the numbers who practice and in the numbers of those who answer the Lord's call to priesthood and religious life.
- I suggest you look at your priest, he may be the last in a long line of resident pastors and may not be replaced.
- I suggest you look at your church, you may be lucky to have a Sunday Mass, but for how much longer?
- I suggest you look at your fellow parishioners at Mass, who among your neighbours will continue to be the new leaders and carry on pastoral work in your parish, alongside a much smaller number of clergy? Who among them will lead prayer services and keep faith alive and active through catechesis and other initiatives?
- This is a time for faith, faith into action, faith into reaching out.

An Choinneal:

At a recent meeting of An Choinneal Committee it was decided to cease publication of An Choinneal.

A plaque will be unveiled on Sunday, 14 August, at the Parish Hall in appreciation of An Choinneal's subscribers and contributors since 1959, when it was first founded by Fr Leo Morahan and Muintir na Tire committee and continued by John Lyons.

All issues have been uploaded to Louisburgh-Killeen Heritage.org website, accessible to all. Thanks to Mary Davitt O Malley and her team for all their heroic work on this project.

Prayers of thanksgiving for all involved with An Choinneal over the years will be offered at 11.30 Mass on Sunday 14 August.

Following the Mass a plaque designed by Pat Kitterick, Stone Mason, will be unveiled at the Parochial Hall. All are welcome to attend this historic event.

Adoration of the Blessed Sacrament on Wednesdays from 10.30 a.m. to 11.30 a.m. in Louisburgh Church. If we are to continue with adoration volunteers will be needed to expose and repose the Blessed Sacrament.

Make Your Own Electricity: With rising costs for electricity, it is becoming advantageous to install solar panels for your own electricity supply. With your own supply you could reduce your bills and get paid by your supplier for any excess units you produce.

Climate Action Louisburgh Locality are seeking expressions of interest from people who would like to consider doing so. Prevention of COVID 19: It is wise to take precautions to prevent the spread of the virus. Covid 19 is still a very serious disease for many people with long term consequences.

- Everyone attending Mass or services in church is urged to wear a mask covering nose & mouth at all times.
- Use the hand sanitisers on entry to the church.
- Anybody with any covid, flu-like, or cold-like symptoms, should not attend church.
- HSE advice is to continue to wear masks in congregated settings.

Wear a mask and help protect those of us who are vulnerable to this virus due to age, illness, or compromised immune systems.

GAA: Under 11 Boys to play in Croke Park on Monday, 08 August. This is a hugely exciting time for them, and indeed their families, as they get to experience playing at GAA HQ!
