If you wish to list members of your family or friends please add your list to those already placed before the altar.

These people will be prayed for at all Masses that will be celebrated during the month of November in Louisburgh and Killeen Churches.

It is important to remember that all the dead are prayed for and included in all Masses

Please do not leave any money with these lists.

Preparation for Confirmation -

You Shall be My Witnesses: This weekend the children preparing for Confirmation and their families will participate in our Sunday Masses.

We welcome them; they are soon to be the young adults that the future of our church will depend on. It is vital we let them know that they belong and are part of our community. We must always be a welcoming church, just as Jesus welcomed all in his ministry.

WebCams – Recording: The cameras in both churches are set up only for the live streaming of Masses.

There is no facility for recording events in the churches. However, most mobile phones, tablets and computers have the facility to record what is being watched on the screen if people wish to record certain events.

Prevention of COVID 19:

- It is still wise to take precautions to prevent the spread of the virus. Covid 19 is still a very serious disease for many people, with unknown long term consequences.
- HSE advice is to continue to wear masks in congregated settings.
- Everyone attending Mass or services in church is encouraged to wear a mask covering nose & mouth at all times.
- Use the hand sanitisers on entry to the church.
- Anybody with any covid, flu-like, or cold-like symptoms, should not attend church.

Wear a mask and help protect those of us who are vulnerable to this virus due to age, illness, or compromised immune systems.
