Parochial Hall:

Opened in 1943, on the site of one of the original primary schools in the parish, the Hall has served the people of the wider area in the intervening years.

It was run by voluntary committee members on behalf of the Parish of Kilgeever. It was made available on a non-profit basis to community groups to facilitate their activities and so enhance the life of the community.

Our sincere thanks goes to all committee members who gave freely of their time and skills over the years to ensure that this facility was available to all for various social and community functions.

Great thanks is due as well to parishioners who generously donated funds towards the provision and upkeep of the Hall so that it would be a valuable asset to the social life of the area.

The last major refurbishment of the Hall took place in 1973, with some further enhancement works in 1995. The Hall is now again in need of modernisation and repair so that it can go on to serve the needs of the people of the area.

While there are some grants available for this work from Government Departments, these are not readily accessible to faith based groups such as parishes.

Also, there is now the reality that any parish members willing to give of their time voluntarily to the parish will be needed for more central and pressing needs in the pastoral care, administration, and liturgical life of our faith community.

For these reasons the Parochial Hall Committee has agreed to wind up their operations and to offer the Parochial Hall on a long term lease to *Louisburgh Community Futures* who will continue to run the Hall for the benefit of all in the community.

By making the Hall available in this way the Parish of Kilgeever will continue to contribute to the social and community needs of the wider community.

Our thanks to the committee of *Louisburgh Futures* and we wish them every success in the future running of the Hall.

Holy Communion for those with Coeliac disease; please inform the priest before Mass if you wish to receive Holy Communion in the form of bread with minimal, practically no, gluten content, or under the form of wine.

Sincere thanks to all who continue to contribute so generously.

Covid / Transmissible Viruses Facemasks are available at the doors of our churches for all who may wish to wear them; many do so because of an underlying medical condition or because of a compromised immune system. Covid remains a serious threat to those who are vulnerable.

Hand Sanitiser is available at the entrances to the churches and all are requested to use it.

For the moment the sign of peace will not be re-introduced at Mass. All are requested to continue to receive Holy Communion in the hand, and so avoid any possible risk of salvia, and possibly a virus, being passed on to another person on the fingers of the Eucharistic Minister.

WebCams – Recording: The cameras in both churches are set up only for live streaming.

There is no facility for recording events.

Louisburgh Community Housing are updating their list of applications for community housing; if interested please contact us in writing.

A Summer Prayer

Praise be you, creator God,
for the gift of sea and sand
and endless waves
that bring joy to body and soul.
Help us always care for this great ocean
so that we
and generations yet unborn
may enjoy its beauty, power and majesty.
Watch over us,
when in, and on, and by these waters
and keep us safely in your loving care.
In the name of the Father, the Son and the Holy Spirit. Amen.
