Synod 2021-2024:

In October 2021 the Catholic Church's synodal process began. This was the first time that a worldwide listening process and consultation with parishes and dioceses was attempted.

By the end of May last year, dioceses and groups that held listening processes submitted a summarised document called a synthesis to the Irish Catholic Bishops' Conference. Common themes from the submissions were presented at an assembly in Athlone in June 2022. A National document from the Catholic Church in Ireland was prepared and sent to Rome.

The synod office in Rome received 112 national documents from around the world and members of the synod leadership team along with 20 other experts from 17 countries gathered in Frascati, Italy, to summarise all these documents. They produced an international document called *Enlarge the Space of Your Tent*, which was published in October 2022.

During November and December last year dioceses and groups were invited to reflect on *Enlarge the Space of Your Tent* so a national delegation could bring these insights, challenges, and calls to action to a Continental Assembly.

For the first time ever, seven continental assemblies took place across five continents so each continent could gather and respond once more to the Universal Church with these reflections.

The European Continental Assembly, was held from 5 to 9 February in Prague this year and the Irish delegation consisted of four in-person delegates and ten online delegates. There were 200 people present at the Prague assembly from 45 different European countries and a further 390 delegates online.

Each continental assembly then sent their reflections to the synod office in Rome and a working document called *Instrumentum Laboris* was prepared and published recently. This document is the official working document for the Synod of Bishops, which is taking place in Rome from 4 to 29 October this year and in October 2024.

Covid / Transmissible Viruses

Hand Sanitiser is available at the entrances to the churches and all are requested to use it.

Facemasks are available at the doors of our churches for all who may wish to wear them; many do so because of an underlying medical condition or because of a compromised immune system. Covid remains a serious threat to those who are vulnerable.

For the moment the sign of peace will not be re-introduced at Mass. All are requested to continue to receive Holy Communion in the hand, and so avoid any possible risk of salvia, and possibly a virus, being passed on to another person on the fingers of the Eucharistic Minister.
