“We must not let ourselves be ‘defined’ by sickness or difficulty, for none of us ‘is’ an illness or problem: each of us is a gift, a unique gift, with our own limitations, a precious and sacred gift for God, and for the Christian and human community.”

Covid / Transmissible Viruses:
With covid cases again on the rise, all are asked to exercise caution out of respect to those who are vulnerable to this disease.
Covid remains a serious threat to those who are vulnerable.
Hand Sanitiser is available at the entrances to the churches and all are requested to use it.
Facemasks are available at the doors of our churches for all who may wish to wear them; many do so in crowded settings because of an underlying medical condition or because of a compromised immune system.
For the moment the sign of peace will not be re-introduced at Mass.
All are requested to continue to receive Holy Communion in the hand, and so avoid any possible risk of salvia, and possibly a virus, being passed on to another person on the fingers of the Eucharistic Minister.
