WebCams

An issue where some Apple iPhones and iPads
 were unable to view the Louisburgh webcam,
 but were able to view the Killeen webcam, has
 now been fixed.

The cameras in both churches are set up only for
 live streaming.

There is no facility for recording events.

Covid / Transmissible Viruses:

Covid remains a serious threat to the life and
 health of those who are vulnerable. All are asked
 to exercise caution out of respect to those who
 are vulnerable to this disease.

Hand Sanitiser is available at the entrances to
 the churches and all are requested to use it.

Facemasks are available at the doors of our
 churches for all who may wish to wear them;
 many do so in crowded settings because of an
 underlying medical condition or because of a
 compromised immune system.

For the moment the sign of peace will not be re-
 introduced at Mass.

All are requested to continue to receive Holy
 Communion in the hand, and so avoid any
 possible risk of saliva, and possibly a virus, being
 passed on to another person on the fingers of
 the Eucharistic Minister.

Eircodes:

In case of need to contact the emergency
 services, especially the ambulance service, it is
 very useful to know your Eircode. It makes the
 task of locating a house or building much easier
 and quicker for them.

Pope Francis on Forgiveness

Always. Always forgive.

Don't put it off.

If there is a person asking you for
 forgiveness, who are you to ask if he or
 she may or may not be sincere?

You take their word for it, and forgive.

Always forgive.

Please, always forgive.

With Christ's forgiveness you don't play
 around, you don't joke.
