Lord, send us the gift of peace

Watch over all peoples
 who have been forced to flee their homes
 and face violence and fear.

Lord, send us the gift of peace

Lead them to a place of safety,
 comfort those who grieve
 and bring healing to those in pain.

Lord, send us the gift of peace

Convert the hearts of those
 who commit violence and wage war.

Turn their hearts towards the way of peace.

Lord, send us the gift of peace

Turn hatred to understanding,
 and anger to compassion.

Through your love, transform horror into hope.

Lord, send us the gift of peace

And fill us all with your Spirit

so that with one voice, throughout the world,
 we may cry out:

Lord, send us the gift of peace

Covid / Flu / RSV / Transmissible Viruses:

Covid and other viruses remain a serious threat
 to the life and health of those who are
 vulnerable. All are asked to exercise caution out
 of respect to those who are vulnerable.

Hand Sanitiser is available at the entrances to
 the churches and all are requested to use it.

Facemasks are available at the doors of our
 churches for all who may wish to wear them;
 many do so in crowded settings because of an
 underlying medical condition or because of a
 compromised immune system, or they may be
 caring for such a person at home.

For the moment the sign of peace will not be re-
 introduced at Mass.

All are requested to continue to receive Holy
 Communion in the hand, and so avoid any
 possible risk of saliva, and possibly a virus, being
 passed on to another person on the fingers of
 the Eucharistic Minister.

Communion under both species will not be
 generally offered for the present; if requested,
 arrangements will be made for those with
 Coeliac Disease.

 February in Louisburgh 74, will be 'All That

 black kite birds that live in the skies above New
 Delhi and are essential to the local ecosystem.

All are welcome.

Admission is free but we welcome donations to
 help cover our costs.

For further details of CALL's work and projects go
 to www.CALL.ie Many thanks to Edwina, of
 Louisburgh 74, for giving us the use of her
 beautiful cafe.

On Thursday 25 January, CALL, Louisburgh's
 climate action group screened the second in
 their series of climate related films in Louisburgh
 74; 'Thank You for the Rain', a documentary
 about a drought stricken Kenyan farmer who
 became a community leader and brought a
 grassroots perspective to the global climate
 change campaign. It was very well received and
 was followed by a useful open discussion.

The main outcome was that the group in
 Louisburgh recognised that they can gain
 strength from being linked to other climate
 action groups in the area.
