Fr. Chas Guthrie – Thanks

A word of thanks to Fr Chas Guthrie, who is celebrant of our Masses this weekend. Fr. Chas has supplied cover over the past few years for holidays, illness, and other absences. Chas has on occasion also obliged by celebrating baptisms and funeral Masses. We are extremely grateful to Chas for his generosity in providing this cover to the parish at a time when it is increasingly difficult to find a priest who is free and able to do so. Time and tide they say wait for no man and Chas has now decided that he can no longer supply such cover and is retiring from this role. We wish Fr. Chas every blessing, good health, and the very best for the future.

Prayer for Married Couples

O God, who in creating the human race willed that husband and wife should be one, keep, we pray, in a union of inseparable love those who are united in Marriage, so that, as you make their love fruitful, they may become, by your grace, witnesses to love itself. Through Christ our Lord.

Transmissible Viruses: Covid is again widespread in all communities with restrictions being placed on visits to at least one hospital.

Covid and other viruses remain a serious threat to the life and health of those who are vulnerable. All are asked to exercise caution out of respect to those of us who are vulnerable. Hand Sanitiser is available at the entrances to the churches and all are requested to use it. Facemasks are available at the doors of our churches for all who may wish to wear them; many do so in crowded settings because of an underlying medical condition or because of a compromised immune system, or they may be caring for such a person at home.

For the moment the sign of peace will not be re-introduced at Mass. All are requested to continue to receive Holy Communion in the hand, and so avoid any possible risk of saliva, and possibly a virus, being passed on to another person on the fingers of the Eucharistic Minister. Communion under both species will not be generally offered for the present; if requested, arrangements will be made for those with Coeliac Disease.
