Sacrament of Anointing of the Sick

Many people will be aware that this Sacrament can be administered to a baptised Catholic who is in danger of death from illness or frailty and is at the end of life. Administered by a priest, it involves the laying on of hands and anointing the forehead and hands with blessed oil , conveying spiritual healing, peace, and courage. This Sacrament needs to be accompanied and preceded by a prayer of faith. Always includes the Confession of sin – Reconciliation - if the person is mentally alert and it is accompanied with the Penitential Rite.

Fewer people will be aware that the sacrament of the anointing of the sick is a Sacrament for the "LIVING" and The Most Opportune time to receive this Sacrament is at the point of a diagnosis which is of a serious nature. An illness that afflicts us and prevents us from having a full life , for example, arthritis , cancer, severe depression, severe anxiety.

This Sacrament, is the healing touch of Christ that the priest brings when we are sick and upon receiving this Sacrament the individual enables the opening of a door way to God's Grace where healing can occur on many levels. Physical healing if, it is in accordance with God's will. Spiritual healing and consolation by which the person is encouraged and strengthened to deal with the difficulties, anxiety , worry , fear etc., that often accompany illness or frailty of old age. Jesus remains with His Church and encountering Him, happens through our conscious and intentional participation in His Church as His followers. Jesus' priority in His ministry is reconciliation. He comes to call us to repentance and seek forgiveness for our sins so we can be reconciled with God our heavenly father through the power of the holy spirit.

Even though all too often our greatest outward need is for physical healing, Jesus's priority remains with the on-going spiritual healing and renewal and enlargement of our soul. The state of our soul is reflected in our spirit , our attitude toward God and toward one another.

Jesus's response is independent on our quality of prayer. Is my prayer from the heart of on who believes and who is repentant, one who places

all one's faith ,trust, hope and confidence in Jesus as his or her rock and Saviour? Am I passive or intentional participant in my faith? Jesus tells us “ if you do not acknowledge me - give witness to your faith in me- before men, I will not acknowledge you before my father in Heaven.” Mathew 10.32.

A Summer Prayer

Loving God, Creator of all times and places, we thank you for the gift of summertime. Thank you for the light, the warmth, and the beauty that surrounds us. Slow down our restless hearts, Lord, and help us to rest awhile in the cooling shade of your presence. Guide us in our summer activities, protect us during our travels, and keep our minds and souls open to your grace. May this season be a time of renewal for our faith and a chance to deepen our love for you and those around us. In the name of Jesus, Amen.
