Sacrament of Baptism:
Baptisms are usually celebrated in Killeen or Louisburgh churches on Saturday afternoons. The arrangement is that if more than one baptism is booked for that day that they will be celebrated together at the time the first one was booked for. Many parishes now have a set day in the month for Baptisms but up to this we have been able to accommodate parents as to when the sacrament is held, but it is a situation that will have to be kept under review.
Baptism is the sacrament that celebrates a person's admission into the Christian community, and it is thought to be more appropriate to have it as a community rather than a private ceremony.
